*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description
The Master of Science degree in Geography prepares graduate students for careers in both the academic field and non-academic jobs in various private and governmental agencies, in areas such as urban/economic geography, social geography, physical/environmental geography, and geographic information technology. Students learn geographic thought, research techniques and topical specialties while preparing to conduct original research.

Additional Program Requirements  3  12

Minimum Total Credit Hours:  30

1 Students may elect to write a thesis or two research papers.
2 Students who earned their bachelor’s degree at Kent State University and have completed the undergraduate equivalents of any techniques courses required in the master’s degree can count them toward the techniques courses requirement. Courses taken at the undergraduate level will not count toward the minimum total credit hour requirement for the master’s degree; however, the additional techniques courses will not be required.
3 Maximum 3 credit hours of research (GEOG 60996 or GEOG 60998) may count towards the M.S. degree requirements.

Roadmap
This roadmap is a recommended semester-by-semester plan of study for this major. However, courses designated as critical (!) must be completed in the semester listed to ensure a timely graduation.
