Description
The Chinese minor provides a variety of courses to develop not only the traditional skills of listening, speaking, reading and writing, but also international cultural competence and critical thinking skills. By imitating natural mother-tongue language learning processes and employing student-centered classroom techniques, this minor provides students practice in using Chinese in real-life contexts and equips students to speak about their own and other cultures.

Admission Requirements
Admission to a minor is open to students declared in a bachelor’s degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.
