1 Many students begin their university studies with substantial proficiency in Spanish and therefore, should begin their program of study with the first course in the Spanish major, SPAN 38211. Other students may need to complete one or more of the prerequisite courses: SPAN 18201, SPAN 18202, SPAN 28201, SPAN 28202.

Starting Spanish studies in the appropriate course(s) is critical to on-time graduation. All students intending to major in Spanish should contact a Spanish faculty advisor in the Department of Modern and Classical Language Studies for individualized placement and advising information prior to enrolling in their first Spanish course. Students entering the university with substantial knowledge of Spanish should take the College-Level Examination Program (CLEP) through which they may receive up to 14 credit hours of university credit. Students wishing to earn credit through CLEP should take the exam several weeks prior to enrolling in their first Spanish course to ensure eligibility, timely granting of credits and timely placement into the correct Spanish courses(s).

2 A minimum C grade must be earned to fulfill the writing-intensive requirement.

3 It is recommended that students who have declared the Education minor and students interested in declaring a double major with Translation take MCLS 30420.

- All students in the Spanish major are required to complete the American Council on the Teaching of Foreign Languages (ACTFL) Oral Proficiency Interview, ACTFL Writing Proficiency Test and the Spanish Outcomes Assessment Test, prior to being cleared for graduation. Information about the exams can be found on the ACTFL website and the Language Testing International (LTI) website, the exclusive licensee of ACTFL.

### Program Note

- Some courses in the Department of Modern and Classical Language Studies are offered on a rotating basis, and course availability may change at any time. Please see the program coordinator or your academic advisor for course planning.

### Foreign Language College Requirement, B.A.

Students pursuing the Bachelor of Arts degree in the College of Arts and Sciences must complete 14-16 credit hours of foreign language. 1

To complete the requirement, students need the equivalent of Elementary I and II in any language, plus one of the following options 2:

1. Intermediate I and II of the same language
2. Elementary I and II of a second language
3. Any combination of two courses from the following list:
   - Intermediate I of the same language
   - ARAB 21401
   - ASL 19401
   - CHIN 25421
   - MCLS 10001
   - MCLS 20001
   - MCLS 20091
   - MCLS 21417
   - MCLS 21420
   - MCLS 22217
   - MCLS 28403
   - MCLS 28404

1 All students with prior foreign language experience should take the foreign language placement test to determine the appropriate level at which to start. Some students may start beyond the Elementary I level and will complete the requirement with fewer credit hours and fewer courses. This may be accomplished by (1) passing a course beyond Elementary I through Intermediate II level; (2) receiving credit through one of the alternative credit programs offered by Kent State University; or (3) demonstrating language proficiency comparable to Elementary II of a foreign language. When students complete the requirement with fewer than 14 credit hours and four courses, they will complete remaining credit hours with general electives.

2 Certain majors, concentrations and minors may require specific languages, limit the languages from which a student may choose or require coursework through Intermediate II. Students who plan to pursue graduate study may need particular language coursework.

### Roadmap

This roadmap is a recommended semester-by-semester plan of study for this major. However, courses designated as critical (!) must be completed in the semester listed to ensure a timely graduation.

7. Compose routine social correspondence, take notes, write cohesive summaries and resumes, as well as narratives and descriptions of a factual nature in the target language.

8. Demonstrate a historical knowledge of Spanish history and culture and understand the diverse nature of culture throughout the ages.

9. Discuss cultural differences, distinguishing between fact, opinion and stereotypes.
