ACCOUNTING ANALYTICS - GRADUATE CERTIFICATE

Ambassador Crawford College of Business and Entrepreneurship
Department of Accounting
www.kent.edu/business/accounting

About This Program
The Accounting Analytics graduate certificate presents material relevant to advanced practice of accounting and includes knowledge tested on the CPA exam. The certificate focuses on the application of technology that supports analytical approaches in the accounting profession. The completed certificate may be applied to satisfy a portion of the course requirements for the Master of Science in Accounting degree.
