Description

The Healthcare Systems Management for Business Majors minor fills the management niche in healthcare and builds strong synergies. These synergies complement student and industry interests in healthcare systems management as a minor and builds a more marketable repertoire for students.

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare the Healthcare Systems Management for Business Majors minor, students must have a minimum 2.000 overall Kent State University GPA. No Kent State University GPA is required if the student is a first-semester freshman or transfer student admitted in good standing.

Only students declared in a major in the college may declare this minor.

Program Learning Outcomes

Graduates of this program will be able to:

1. Demonstrate understanding of economic issues facing healthcare industry.
2. Demonstrate understanding of the impact of technology in the delivery of healthcare.
3. Demonstrate understanding of healthcare operations.
4. Demonstrate understanding of project management in healthcare.
