## Description

The Music minor provides a basic understanding of music literature, theory and performance. Study on voice or selected instruments is available to students in other fields who desire private instruction in addition to ensemble participation.

## Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare the Music minor, students must complete theory placement test and audition in piano, voice or on a traditional orchestral/band instrument.
