- 6. Identify, associate, differentiate and utilize performances practices appropriate to the literature of the various stylistic periods.
- 7. Utilize and discuss score study of literature performed and also representative literature from various historical periods and composers.

### **Full Description**

The Master of Music degree in Performance is designed to prepare the student for professional music activities, including solo performance, orchestral playing, ensemble playing, collaborative performance, studio teaching; as well as doctoral study. The program emphasizes development of skills, knowledge and background in the following areas: literature and repertoire, performance skills, practice skills, interpretation and expression, performance pedagogy, historical performance practices, music history and music theory.

The Performance major includes the following optional concentrations:

- · The Chamber Music concentration is for intensive coaching and performance of string quartet literature.
- · The Collaborative Piano concentration provides focused study on performance, chamber music, accompanying and literature.
