Fully Offered

- **Delivery:**
 - Fully online

Admission Terms

- Fall
- Spring
- Summer

*Note

Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics'

Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description

The Master of Library and Information Science degree in School Library Media K-12 prepares students to apply for multi-age licensure in school library media. The program curriculum is based in both practice and theory and includes library science and educational technology courses. The theoretical content is aligned with the American Library Association, the American Association of School Librarians national standards and the Ohio state standards for school libraries.

Students are given opportunities to apply their learning in practical environments through a culminating experience and other options. Graduates are prepared to work in all types of libraries.

Admission Requirements

- Bachelor's degree from an accredited college or university
- Minimum 2.750 undergraduate GPA¹ on a 4.000 point scale
- Official transcript(s)
- Personal statement if total GPA is below 3.0 in highest completed degree¹; statement must address the circumstances that contributed to the GPA and preparation for success in graduate study, in addition to recent professional achievements that indicate an ability to perform at a higher academic level to be considered for conditional admission to the program
- GRE scores if total GPA is below 3.0 in highest completed degree¹
- Résumé or curriculum vita
- Student Profile form
- Application Essay
- Three letters of recommendation
- English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
 - Minimum 587 TOEFL PBT score (paper-based version)
 - Minimum 94 TOEFL IBT score (Internet-based version)
 - Minimum 82 MELAB score
 - Minimum 7.0 IELTS score
 - Minimum 65 PTE score
 - Minimum 120 Duolingo English Test score

For more information about graduate admissions, visit the graduate admission website. For more information on international admission, visit the Office of Global Education website.

¹ In calculating the total GPA, all grades from all courses taken at relevant level (baccalaureate or master's) from all institutions are required.

Program Learning Outcomes

Graduates of this program will be able to:

1. Apply the field's foundational theories, principles, values, ethics and skills to everyday practice in a school library context
2. Critique and synthesize research and identify appropriate research methodologies to solve problems in the school librarianship field
3. Analyze and engage in the changing cultural, educational and social roles and responsibilities of librarians and the educational environments they work in within the global society
4. Evaluate systems and technologies relevant to a school librarianship context
5. Identify needs and connect kindergarten-to-grade-12 stakeholders (students, teachers, administrators) and communities with information that engages and empowers them

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.

Program Requirements
