* Source of occupation titles and labor data comes from the U.S. Bureau of Labor Statistics’ Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

For more information about graduate admissions, visit the graduate admission website. For more information on international admissions, visit the international admission website.

Admission Requirements
• Bachelor’s degree from an accredited college or university
• Minimum 2.750 undergraduate GPA on a 4.000-point scale
• Official transcript(s)
• Personal statement if total GPA is below 3.0 in highest completed degree; statement must address the circumstances that contributed to the GPA and preparation for success in graduate study, in addition to recent professional achievements that indicate an ability to perform at a higher academic level to be considered for conditional admission to the program (Starting with the spring 2024 admission term, a personal statement will no longer be required)
• GRE scores if total GPA is below 3.0 in highest completed degree (Starting with the spring 2024 admission term, GRE will no longer be required)
• Résumé or curriculum vita
• Student Profile form
• Application Essay
• Three letters of recommendation
• English language proficiency - all international students must provide proof of English language proficiency (unless they meet specific exceptions) by earning one of the following:
  • Minimum 587 TOEFL PBT score
  • Minimum 94 TOEFL IBT score
  • Minimum 82 MELAB score
  • Minimum 7.0 IELTS score
  • Minimum 65 PTE score
  • Minimum 120 Duolingo English score

In calculating the total GPA, all grades from all courses taken at relevant level (baccalaureate or master’s) from all institutions are required. Applicants who do not meet the minimum 2.750 GPA requirement must submit a statement that addresses the circumstances that contributed to the GPA and preparation for success in graduate study. Applicants should include recent professional achievements that indicate an ability to perform at a higher academic level to be considered for conditional admission to the program.

Application Deadlines
• Fall Semester
  • Application deadline: April 15
• Spring Semester
  • Application deadline: November 15
• Summer Term
  • Application deadline: March 15

Applications submitted after these deadlines will be considered on a space-available basis.

Graduates of this program will be able to:

- Apply the field's foundational theories, principles, values, ethics and skills to everyday practice in a school library context.
- Critique and synthesize research and identify appropriate research methodologies to solve problems in the school librarianship field.
- Analyze and engage in the changing cultural, educational and social roles and responsibilities of librarians and the educational environments they work in within the global society.
- Evaluate systems and technologies relevant to a school librarianship context.
- Identify needs and connect kindergarten-to-grade-12 stakeholders (students, teachers, administrators) and communities with information that engages and empowers them.

Licensure Information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer the Ohio Department of Education—Educator Preparation website for information on assessments specific to licensure type. Applicants interested in obtaining school library media licensure or certification outside the state of Ohio should refer to the requirements established by their state education agencies.

Program Learning Outcomes

Minimum Total Credit Hours: 57
Graduation Requirements
- Students in M.Ed. degree have six years from the term of first enrollment to complete the degree.
- Students are responsible for completing licensure paperwork requirements through the College of Education, Health and Human Services near the end of or at the conclusion of their M.L.I.S. degree program. Exam administered by the Evaluation Systems Group of Pearson is required for licensure.

Licensure Information
Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education-Educator Preparation website for more information on assessments specific to licensure type.

Full Description
The Master of Library and Information Science degree in School Library Media K-12 prepares students to apply for multi-age licensure in school library media. The program curriculum is based in both practice and theory and includes library science and educational technology courses. The theoretical content is aligned with the American Library Association, the American Association of School Librarians national standards and the Ohio state standards for school libraries.

Students are given opportunities to apply their learning in practical environments through a culminating experience and other options. Graduates are prepared to work in all types of libraries.

Professional Licensure Disclosure
This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
