\(^1\) In calculating the total GPA, all grades from all courses taken at relevant level (baccalaureate or master’s) from all institutions are required.

Program Learning Outcomes

Graduates of this program will be able to:

1. Apply the field’s foundational theories, principles, values, ethics and skills to everyday practice in a school library context
2. Critique and synthesize research and identify appropriate research methodologies to solve problems in the school librarianship field
3. Analyze and engage in the changing cultural, educational and social roles and responsibilities of librarians and the educational environments they work in within the global society
4. Evaluate systems and technologies relevant to a school librarianship context
5. Identify needs and connect kindergarten-to-grade-12 stakeholders (students, teachers, administrators) and communities with information that engages and empowers them

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.

*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics’ Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

- LIS 60280 MASTER'S PORTFOLIO IN LIBRARY AND INFORMATION SCIENCE 1
- LIS 60792 CULMINATING EXPERIENCE PRACTICUM IN K-12 LIBRARIES 3

Minimum Total Credit Hours: 37

Graduation Requirements

- Minimum 3.000 overall GPA
- Successful completion of all requirements with a minimum C grade
- An electronic portfolio is required to obtain licensure in K-12 School Library Media

Licensure Information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education–Educator Preparation website for information on assessments specific to licensure type. Applicants interested in obtaining school library media licensure or certification outside the state of Ohio should refer to the requirements established by their state education agencies.

Dual Degree with M.Ed. degree in Educational Technology

Student have the opportunity to complete a dual degree program with the M.Ed. degree in Educational Technology and the M.L.I.S. degree in School Library Media K-12. A separate application must be submitted for each program. Students can view admission requirements for each program on their respective catalog page.

The M.Ed./M.L.I.S. dual degree program leads to a multi-age initial licensure in school library media. This program prepares students to work in all types of libraries, including school libraries. The program of study includes professional educational requirements, along with library science and educational technology courses.
