## **Program Learning Outcomes**

Graduates of this program will be able to:

- 1. Facilitate collaboratively the development, articulation, implementation and stewardship of a shared school vision of learning through the collection and use of data to identify school goals.
- 2. Sustain a school culture and instructional program conducive to student learning through collaboration, trust and a personalized learning environment with high expectations for students.
- 3. Create and evaluate a comprehensive, rigorous and coherent curricular and instructional school program.
- 4. Act in an ethical manner with integrity and fairness to ensure a school system of accountability for every student's academic and social success by modeling school principles of self-awareness, reflective practice, transparency and ethical behavior as related to their roles within the school.
- 5. Safeguard the values of democracy, equity and diversity within the school.
- 6. Evaluate the potential moral and legal consequences of decisionmaking in the school.
- 7. Promote social justice within the school to ensure that individual student needs inform all aspects of schooling.
