Applications are assessed holistically, considering applicants' academic credentials, related professional experience, academic or professional references, scholarly and professional activities, among others.

For more information about graduate admissions, visit the graduate admission website. For more information on international admission, visit the Office of Global Education's admission website.

Program Learning Outcomes

Graduates of the program will be able to:

1. Demonstrate a broad understanding of theories of student and adult development that guide the profession and influence student learning and development within their collegiate environment.

2. Demonstrate a basic understanding and conversant knowledge of the legal issues facing higher education today, including being familiar with legislation that impacts decision making within higher education and understanding the rights and responsibilities of students, staff, faculty and institutions.

3. Demonstrate, through practical experience in two or more functional areas within higher education, the potential to succeed in professional leadership positions.

4. Demonstrate an understanding of the administrative and financial functions performed on a college or university campus.

5. Demonstrate an understanding of and commitment to the diverse nature of higher education in the United States, and articulate the challenges and opportunities associated with the provision of a diverse, multicultural educational setting.

*Note
Source of occupation titles and labor data is from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

Description

The Educational Specialist degree in Higher Education Administration and Student Affairs provides continuing educational opportunities for practitioners who wish to hold careers as higher education administrators and staff professionals. The coursework prepares students for the varied challenges facing two-year, four-year and graduate institutions today and in the future.
