Program Delivery
- Delivery:
  • In person
- Location:
  • Kent Campus

Examples of Possible Careers and Salaries*

Speech-language pathologists
  • 24.9% much faster than the average
  • 162,600 number of jobs
  • $80,480 potential earnings

Accreditation
The Master of Arts degree in Speech Language Pathology (residential) at Kent State University is accredited by the Council on Academic Accreditation in Audiology and Speech-Language Pathology of the American Speech-Language-Hearing Association, 2200 Research Boulevard, #310, Rockville, MD 20850, 800-498-2071 or 301-296-5700.

* Source of occupation titles and labor data comes from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less.

For more information about graduate admissions, visit the graduate admission website. For more information on international admissions, visit the international admission website.

Application Deadlines
- Fall Semester
  • Priority deadline: January 15
- Spring Semester
  • Priority deadline: October 1

Applications submitted by this deadline will receive the strongest consideration for admission.

**Clinical Settings**

For any clinical practicum (on campus or off campus) in speech pathology or audiology that requires candidates to be placed within the on-campus speech and hearing clinics, school or agency setting, the college requires candidates to complete Bureau of Criminal Investigation and Identification (BCII) and Federal Bureau of Investigation (FBI) background check and submit the results to authorized personnel at their assigned clinic/school/agency before the beginning of their placement or the first day of the semester in which the practicum will take place. Authorized school/agency personnel will determine whether a candidate may participate in practicum in the off-campus setting. The BCII and FBI background checks are good for one year and the candidates will need to complete one each year that they are in graduate school.

Electronic fingerprinting is available for BCII and FBI in 221 White Hall and should be completed one month prior to clinical practicum. Candidates are responsible for fees incurred for this requirement. For more information on this policy contact the Clinical Coordinators for the Speech and Hearing Clinics. Visit the Ohio Department of Education website for more information about background check requirements for those wishing to hold pupil personnel licenses in Ohio. Contact the Office of Professional Conduct at the Ohio Department of Education for specific information about the results of the background check.

**Licencure Information**

Candidates seeking Speech-Language Pathologist licensure are required to pass Praxis II test Speech-Language Pathology and minimum of 400 clock hours of supervised clinical experience in the practice of speech language pathology. Additional clinical coursework is required for Ohio Board of Speech Pathology License and optional ASHA certification.

**Program Learning Outcomes**

Graduates of this program will be able to:

1. Effectively communicate knowledge and interact with diverse populations (age, culture, disability).
2. Collect, analyze, synthesize and apply research and data regarding the nature, prevention, diagnosis and treatment of communication disorders throughout the lifespan and across cultures.
3. Engage in the development and implementation of research-based and ethical prevention, assessment, diagnostic and treatment plans for individuals with a variety of communication disorders throughout the lifespan.

**Professional Licensure Disclosure**

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
