Licensure Information
Candidates seeking Ohio license are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Counselor, Social Worker and Marriage and Family Therapy Board website for more information on assessments specific to licensure type.

Program Learning Outcomes
Graduates of this program will be able to:
1. Effectively work with clients from a multicultural and pluralistic society.
2. Demonstrate knowledge in assessment, group work, career development, helping relationships human growth and development, social and cultural diversity, research and program evaluation and professional orientation and ethical practice.
3. Meet the academic components required by the Ohio Counselor, Social Worker and Marriage and Family Therapist Board to be eligible to sit for the current licensure assessments.
4. Understand legal and ethical standards and practice in a legal and ethical manner.
5. Understand and demonstrate multicultural responsiveness.
6. Demonstrate a strong counselor identity.
7. Demonstrate strong clinical skills in case conceptualization, diagnosis and treatment planning.
8. Understand and demonstrate sound counseling skills and techniques within a theoretical framework in both individual and group counseling.
9. Understand the importance of research in advancing the counseling profession, including how to critique research to inform counseling practice.
10. Effectively work with crisis, trauma, suicide and at-risk clients.

Full Description
The Master of Education degree in Clinical Mental Health Counseling prepares students for employment as counselors in community-based human service agencies (e.g., substance abuse facilities, mental health centers, child and family service agencies) and private counseling facilities.

This program is designed to fulfill the educational requirements for licensure as a Licensed Professional Counselor in the state of Ohio. The program may be pursued on a part-time or full-time basis, although some full-time study is encouraged.

Professional Licensure Disclosure
This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
