Minimum Total Credit Hours: 30

1 All electives, including additional coursework, must be approved by the student’s Ed.S. degree committee.

Graduation Requirements

- Upon admission to the Ed.S. degree program, students will be assigned an advisor.
- Minimum 6 credit hours of coursework in statistics and research design are required.

Program Learning Outcomes

Graduates of the program will be able to:

1. Attain the background knowledge and critical thinking skills necessary to advance their ability to identify and plan evidence-based educational practices for exceptional learners.
2. Increase their proficiency with the pedagogical and decision-making skills necessary to implement evidence-based educational practices for exceptional learners.
3. Attain an appropriate level of expertise in methods of assessment relevant to providing special education to exceptional learners in schools.
4. Articulate professional positions on critical legal, policy and practice issues in special education that are grounded in logical analysis, empirical research and the ethical foundations of the field.

Full Description

The Educational Specialist degree in Special Education provides an advanced degree in specialized areas of educational programming for children and youth with exceptionalities. The program meets the needs of post-master’s degree students who wish to assume leadership roles in schools and agencies that provide special education and related services to children, youth, and adults who have disabilities.

The Ed.S. degree is designed for the accomplished, experienced practitioner with specific professional aspirations. The program is not designed for those who wish to pursue a research emphasis as a prelude to doctoral study.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
