Teacher candidates are only permitted to repeat a field experience course once. Please see Repeating Field Experience Courses in Teacher Education Programs policy for details.

Progression Requirements

- Minimum 3.000 overall GPA throughout the program

Full Description

The Special Education Moderate/Intensive Needs Initial Licensure Preparation non-degree program is designed for individuals who have a bachelor’s degree and want to teach students requiring intensive and ongoing special education support. Most often, these are students with intellectual disabilities, autism spectrum disorder, multiple disabilities and complex health impairments.

Completion of the coursework is a prerequisite to being recommended by Kent State University for an initial teacher license in Special Education Moderate/Intensive Needs (Ohio Intervention Specialist), which is granted by the Ohio Department of Education.

The Moderate/Intensive licensure preparation program is designed for individuals who have a bachelor’s degree and want to teach students requiring intensive and ongoing special education support. Most often, these are students with intellectual disabilities, autism spectrum disorder, multiple disabilities and complex health impairments.

This program does not culminate in a master’s degree. Students interested in obtaining a teaching license and a master’s degree from Kent State University must also be fully admitted to a master’s degree and complete the prescribed coursework on the master’s degree prospectus, in addition to the courses that are prescribed here for licensure. Completing a master’s degree in special education in addition to licensure will, in most cases, require an additional 15-18 credit hours.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
