and/or Career-Technical Teacher Education (CTTE) Special Needs Electives

and/or Special Education (SPED) Electives

Minimum Total Credit Hours: 32

1 Prerequisite or co-requisite for specialization: 6 credit hours undergraduate methods courses that include content in course of study/curriculum guide development and methods of teaching laboratory and related content.

Graduation Requirements

No more than one-half of a graduate student's coursework may be taken in 50000 level courses.

Licensure information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. Students should consult their advisors for specific program requirements and refer to the Ohio Department of Education-Educator Preparation website for more information on assessments specific to licensure type.

Program Learning Outcomes

Graduates of this program will be able to:

1. Expand use of instruction based on learner needs, including individualized, mixed-ability, cooperative and teamwork.
2. Be competent in using various instructional strategies.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
