# PHYSICAL EDUCATION AND SPORT PERFORMANCE - B.S.

College of Education Health and Human Services School of Teaching, Learning and Curriculum Studies www.kent.edu/ehhs/tlcs

## **About This Program**

The Physical Education and Sport Performance B.S. program offers a unique blend of theory and practice to help you succeed in this exciting field. Learn from experienced faculty and gain hands-on experience through internships and practicums. Launch your career in sports coaching, sports management or fitness training with Kent State's Physical Education and Sport Performance program. Read more...

## **Contact Information**

## **Program Delivery**

- · Delivery:
  - · In person
- · Location:
  - Kent Campus

## Examples of Possible Careers and Salaries\*

#### **Coaches and scouts**

- 11.8% much faster than the average
- · 292,000 number of jobs
- \$36,330 potential earnings

### **Education teachers, postsecondary**

- · 4.8% about as fast as the average
- · 77,300 number of jobs
- \$65,440 potential earnings

#### **Exercise trainers and group fitness instructors**

- 15.4% much faster than the average
- · 373,700 number of jobs
- \$40,510 potential earnings

### Middle school teachers, except special and career/ technical education

- · 3.6% about as fast as the average
- · 627,100 number of jobs
- · \$60,810 potential earnings

## Miscellaneous entertainers and performers, sports and related workers

- · 4.2% about as fast as the average
- · 33,300 number of jobs
- \$N/A potential earnings

### Recreation and fitness studies teachers, postsecondary

- · 2.6% slower than the average
- · 19,100 number of jobs
- · \$66,290 potential earnings

### Secondary school teachers, except special and career/ technical education

- · 3.8% about as fast as the average
- 1,050,800 number of jobs
- \$62,870 potential earnings

### **Accreditation**

Council for the Accreditation of Educator Preparation

\* Source of occupation titles and labor data comes from the U.S. Bureau of Labor Statistics'

Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at which half of the workers in the occupation earned more than that amount and half earned less

## **Admission Requirements**

Admission to this major is selective. Admission to the college does not guarantee admission to a major and/or admission to professional coursework for a selective admission program. To be admitted directly into a teacher education program, it is required that new freshmen have a 2.750 high school GPA. Students who do not meet the GPA requirement at the time of admission for this major will be admitted to the EHHS General non-degree program until which time they have established a Kent State GPA of 2.750. They may then submit a change of program to declare this major.

Students seeking admission into the Health and Physical Education concentration or the Physical Education Teacher Licensure concentration of this program must meet all professional requirements for admission to advanced study and have a minimum overall 2.750 GPA in all previous undergraduate coursework. Students should contact the Vacca Office of Student Services, 304 White Hall, during the first year of study to inquire into the procedures associated with admission to advanced study. Students transferring from another university should meet with an academic advisor in the College of Education, Health and Human Services at least one semester prior to transferring.

Current Kent State and Transfer Students: Active Kent State students who wish to change their major must have attempted a minimum 12 credit hours at Kent State and meet all admission criteria listed above to be admitted. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

International Students: All international students must provide proof of English language proficiency (unless they meet specific exceptions to waive) by earning a minimum 71 TOEFL iBT score, minimum 6.0 IELTS score, minimum 47 PTE score or minimum 100 DET score, or by completing the ELS level 112 Intensive English Program. For more information on international admission visit the admissions website for international students.

## **Program Requirements Major Requirements**

Code	Title	Credit Hours

Teacher candidates are only permitted to repeat a field experience course once. Please see Repeating Field Experience Courses in Teacher Education Programs policy for details.

## **Progression Requirements**

Students in the Health and Physical Education and Physical Education Licensure concentrations must meet all professional requirements for admission to advanced study.

To manage enrollment and deliver high-quality programs, the faculty will select the most qualified applicants for admission based upon evaluation of academic success (overall GPA<sup>1</sup>) at Kent State University; non-academic criteria and other specific program criteria.

Please be aware that reapplication may be necessary if postponing advanced study coursework or if withdrawn for one year or more.

## **Graduation Requirements**

**Health and Physical Education Concentration** 

Treater and I hydroat Eaddation Concentration			
Minimum Major GPA	Minimum Overall GPA		
2.750	2.750		

### **Physical Activity and Sport Performance Concentration**

i nyoloui Aotivity una opoliti cironni	and donocintration
Minimum Major GPA	Minimum Overall GPA
2.250	2.000

#### **Physical Education Licensure Concentration**

, = =	
Minimum Major GPA	Minimum Overall GPA
2.750	2.750

 Students in the Health and Physical Education concentration and the Physical Education Licensure concentration are required to provide evidence of certification in First Aid, CPR and a minimum equivalence to level 5 competency in Red Cross swimming.

### Licensure information

Candidates seeking Ohio licensure are required to pass specific assessments in order to apply for licensure. See Ohio Department of Education-Educator Preparation website for more information on

assessments specific to licensure type. Taking and passing the licensure tests prior to graduation is encouraged but not required.

Students must apply for State of Ohio Licensure (defined by completion of all licensure program requirements) within 12 months of program completion. After 12 months, applicants must meet State approved program/licensure requirements that are in effect at the time of application. This means that students who apply after the 12 month deadline may have to take additional coursework if the content, methods courses, program requirements, or licensure requirements have changed from the catalog in force.

## **Roadmaps**

Undergraduate students who have not completed a minimum of 12 Kent State University credit hours will be evaluated for advanced study and professional phase based on their high school GPA for new freshmen or transfer GPA for transfer students.

### **Health and Physical Education Concentration**

This roadmap is a recommended semester-by-semester plan of study for this major. However, courses designated as critical (!) must be completed in the semester listed to ensure a timely graduation.

	Semester One		Credits

## **University Requirements**

Flashes 101 (UC 10001)

All students in a bachelor's degree program at Kent State University must complete the following university requirements for graduation.

**NOTE**: University requirements may be fulfilled in this program by specific course requirements. Please see Program Requirements for details.

	hour
Course is not required for students with 30+ transfer credits (excluding College Credit Plus) or age 21+ at time of admission.	
Diversity Domestic/Global (DIVD/DIVG)	2 courses
Students must successfully complete one domestic and one global course, of which one must be from the Kent Core.	
Experiential Learning Requirement (ELR)	varies
Students must successfully complete one course or approved experience.	
Kent Core (see table below)	36-37 credit hours
Writing-Intensive Course (WIC)	1 course
Students must earn a minimum C grade in the course.	
Upper-Division Requirement	39 credit hours
Students must successfully complete 39 upper-division (numbered 30000 to 49999) credit hours to graduate.	

1 credit

Total Credit Hour Requirement	120 credit hours
<b>Kent Core Requirements</b>	
Kent Core Composition (KCMP)	6
Kent Core Mathematics and Critical Reasoning (KMCR)	3
Kent Core Humanities and Fine Arts (KHUM/KFA) (min one course each)	9
Kent Core Social Sciences (KSS) (must be from two disciplines)	6
Kent Core Basic Sciences (KBS/KLAB) (must include one laboratory)	6-7
Kent Core Additional (KADL)	6
Total Credit Hours:	36-37

## **Program Learning Outcomes**

Graduates of the Health and Physical Education and Physical Education Licensure concentrations will be able to:

- Demonstrate an understanding of content and scientific and theoretical foundations for the delivery of an effective PK-12 PE and/ or Health program.
- Plan and implement developmentally appropriate and meaningful PE and/or health learning experiences aligned with local, state and/or national standards and grade-level outcomes.
- Use effective resources, accommodations, and technology that support the diverse needs of all students in planning and teaching.
- 4. Use effective communication, feedback, and instructional and managerial skills to enhance student learning.
- 5. Select and implement appropriate assessments and reflection to monitor students' progress and guide decision making related to instruction and learning.
- Demonstrate dispositions essential to becoming effective professionals.

Graduates of the Physical Activity and Sport Performance concentration will be able to:

- 1. Demonstrate understanding and value of human diversity.
- Apply their broad spectrum of knowledge of human movement in their capstone experience by being able to:
  - Describe and apply biophysical (anatomical, physiological and biomechanical) and social-psychological concepts to skillful movement, physical activity and fitness, depending upon their area of focus.
  - Identify individual and group motives and opportunities and barriers to involvement in different types of human movement.
  - Understand the historical significance of past events and how these events have shaped the present development of sport and physical education.

## **Full Description**

The Bachelor of Science degree in Physical Education and Sport Performance prepares teachers who exemplify best practices in the PK-12 setting and professionals who promote high quality physical activity opportunities for individuals across the lifespan. The program places a strong emphasis on field experience, internships and professional development experiences.

The Physical Education and Sport Performance major comprises the following concentrations:

- The Health and Physical Education concentration is a five-year program that provides the curriculum necessary for students seeking Ohio teacher licensure in both health education and physical education. The program includes multiple field experiences in a variety of school districts, followed by a full semester of student teaching. Students teach in both subjects and are eligible to sit for the multi-age teacher licensing examinations. Students in combined bachelor's/master's degree programs may apply graduate courses toward the B.S.E. degree.
- The Physical Activity and Sport Performance concentration is grounded in the understanding that the study of physical activity and sport is important in themselves and as biological and social concepts. The concentration provides students with the opportunity to design their educational experience by developing an individualized program of study. Students in this concentration are required to declare a minor, either in a related field or outside the field.
- The Physical Education Teacher Licensure concentration prepares students to seek Ohio teacher licensure in physical education. The program includes multiple field experiences in a variety of school districts, followed by a full semester of student teaching. Graduates are eligible to sit for the multi-age teacher licensing examinations.

### **Professional Licensure Disclosure**

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
