About This Program

The Athletic Coaching minor provides students with the knowledge and skills to coach in youth sport settings, K-12 schools and colleges. The "National Standards for Sport Coaches," published by the Society of Health and Physical Educators (SHAPE America), serves as the guiding basis for the minor.

An internship completes the minor as a capstone experience.

Admission Requirements

Admission to a minor is open to students declared in a bachelor's degree, the A.A.B. or A.A.S. degree or the A.T.S. degree (not Individualized Program major). Students declared only in the A.A. or A.S. degree or the A.T.S. degree in Individualized Program may not declare a minor. Students may not pursue a minor and a major in the same discipline.

To declare this minor, students must have attempted a minimum 12 credit hours at Kent State and earned a minimum 2.000 overall Kent State GPA. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

Admission GPA for Undergraduate Students

For admissions, the College of Education and Human Services considers a student to have established a Kent State University GPA after the student has successfully completed a minimum of 12 Kent State University credit hours.

New Students and Transfer Students: Undergraduate students who have not completed a minimum of 12 Kent State University credit hours will be evaluated for admission into an academic program, advanced study and the professional phase based on their high school GPA for new students or transfer GPA for transfer students. Once a student has successfully completed a minimum of 12 Kent State University credit hours, only the student's Kent State overall GPA will be considered for admission into a program, advanced study and professional phase. Transfer applicants who have completed fewer than 12 semester credit hours of college-level coursework will be evaluated on both collegiate and high school records.

Current Students: Students who have completed 12 or more credit hours of previous college-level coursework — either at Kent State University or at another accredited institution — need an overall GPA of 2.00 or higher to declare a College of Education and Human Services major, minor or certificate unless a higher minimum GPA is specified by the program.

The following degree programs require a minimum 2.750 overall GPA for current students who have an established GPA to declare a major:

- Early Childhood Education
- Integrated Language Arts
- Integrated Mathematics
- Integrated Science
