FAMILY NURSE PRACTITIONER
- GRADUATE CERTIFICATE

College of Nursing
www.kent.edu/nursing

About This Program
The Family Nurse Practitioner graduate certificate provides nurses who already have a graduate nursing degree to acquire the additional specialized knowledge and clinical experience for the family nurse practitioner role. The certificate meets the educational requirements for the national certification examination.

Contact Information

Graduation Requirements
Minimum Certificate GPA Minimum Overall GPA
3.000

For more information about graduate admissions, please visit the Graduate Studies admission website. For more information on international admission, visit the Office of Global Education’s admission website.

1 Transcript(s) must indicate completion of graduate-level courses in advanced pathophysiology, advanced pharmacology and advanced health assessment, with a minimum B grade earned in each course. Applicants who do not meet the grade requirement for advanced pathophysiology, advanced pharmacology and advanced health assessment may be considered for a conditional admission.

For applicants who have not practiced as an advanced practice registered nurse within the two-year period preceding application to the certificate, completion of graduate-level courses in advanced pathophysiology, advanced pharmacology and advanced health assessment must not be greater than five years old at the time of the student’s first semester of course registration in the certificate.
Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State’s website for professional licensure disclosure.
