ACREDITATION

Kent State University is accredited by the Higher Learning Commission (view statement of accreditation status). Professional or specialized accreditation for specific programs is listed on the overview tab on those program pages, and a full listing can be found on the Accreditation, Assessment and Learning website.

CONTACT INFORMATION

The Kent State University Catalog is produced and maintained by the Office of Curriculum Services under the auspices of the senior vice president for academic affairs and provost. Please e-mail or visit us online if you have any questions regarding the University Catalog or the curriculum process.
