Accreditation

The associate degree in nursing at Kent State University is accredited by the Accreditation Commission for Education in Nursing (ACEN), 3390 Peachtree Road NE, Suite 1400 Atlanta, GA 30326, (404) 975-5000. The most recent accreditation decision made by the ACEN Board of Commissioners is "continuing accreditation." View the public information disclosed by the ACEN regarding this program at <https://www.acenursing.org/search-programs/entry/2699/>. Information on Student Achievement Data, including NCLEX-RN pass rates and program completion rates, are available. The A.A.S. degree in Nursing ADN has full approval by the Ohio Board of Nursing.

* Source of occupation titles and labor data comes from the U.S. Bureau of Labor Statistics' Occupational Outlook Handbook. Data comprises projected percent change in employment over the next 10 years; nation-wide employment numbers; and the yearly median wage at

which half of the workers in the occupation earned more than that amount and half earned less.

Admission Requirements

The university affirmatively strives to provide educational opportunities and access to students with varied backgrounds, those with special talents and adult students who graduated from high school three or more years ago.

Kent State campuses at Ashtabula, East Liverpool, Geauga, Salem, Stark, Trumbull and Tuscarawas, and the Twinsburg Academic Center, have open enrollment admission for students who hold a high school diploma, GED or equivalent.

Some programs may require that students meet certain requirements before progressing through the program. For programs with progression requirements, the information is shown on the Coursework tab.

For more information on admissions, contact the Regional Campuses admissions offices.

1. Provide safe and effective nursing care which respects patient values, cultures, and beliefs.
2. Demonstrate effective communication and collaborate with patients, families, caregivers and health care team members.
3. Demonstrate leadership and the ability to manage nursing care in a professional manner following legal and ethical guidelines.
4. Use quality improvement data and current evidence for delivery of optimal nursing care.
5. Use technology to communicate, manage knowledge, and support decision-making.

Full Description

The Associate of Applied Science degree in Nursing prepares students for the registered nurse profession. The curriculum is designed to meet today's health care needs by focusing on the registered nurse's role in communities, hospitals, clinics and home health care.

Graduates are eligible to take the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

The Nursing major includes the following optional concentrations:

- The LPN to ADN concentration is a completer program for students who are licensed practical nurses.
- The Paramedic to ADN concentration is a completer program for students who are certified paramedics.

Professional Licensure Disclosure

This program is designed to prepare students to sit for applicable licensure or certification in Ohio. If you plan to pursue licensure or certification in a state other than Ohio, please review state educational requirements for licensure or certification and contact information for state licensing boards at Kent State's website for professional licensure disclosure.
