# **POLITICAL SCIENCE - MINOR**

#### College of Arts and Sciences

Department of Political Science www.kent.edu/polisci

#### **About This Program**

The Political Science minor is for students who have an ongoing interest in politics — at the local, state, national or international level — but whose primary area of study does not allow a second major. Students study the general subject matter of political science and then advance to specialty areas that meet their own interests, needs and plans of study.
