## Requirements for Admission to Advanced Study for Art Education and Music Education

Admission to advanced study is required of all art education and music education majors and minors prior to enrolling in upper-division education courses. Upon completion of coursework, as determined by program area, students should have satisfied the prerequisites for admission to advanced study. Students must submit an application for advanced study by the second Friday of the term during which all prerequisites for advanced study will be completed, and at least one semester prior to beginning any coursework for which "Admission to Advanced Study" is a prerequisite. Students at the Kent Campus apply for Advanced Study through the College of Education, Health and Human Services Student Portal, which can be accessed through the Vacca Office of Student Services web page. Students completing a licensure program at a regional campus should check with that campus for instructions on how to apply for "Advanced Study." Please note: Admission to advanced study is required for students pursuing an undergraduate major that leads to teacher licensure. Please be aware that reapplication may be necessary if postponing advanced study coursework or if withdrawn for one year or more.

Requirements for Admission to Advanced Study for Art Education and Music Education

Advising appointments at the Kent Campus are made through the Vacca Office of Student Services' website at [www.kent.edu/ehhs/services/voss](http://www.kent.edu/ehhs/services/voss).
- Teacher Candidate Acknowledgments and Legal Questions for Licensure: Candidates are required to electronically sign four statements acknowledging that they have read and understand the following areas: background check requirements; professional dispositions; licensure application information; legal questions asked on the licensure application.
