Admission Requirements

Admission to the minor is selective, open only to students who have a minimum 2.500 overall GPA and are declared in a program area for which the state of Ohio issues a teaching license. Those majors at Kent State are the following: Biology; Spanish; Mathematics; Earth Science; American Sign Language; Classics (Latin concentration); Teaching English as a Second Language; French; and German.

The Education minor does not provide preparation for teacher licensure in English or individual social science areas (e.g., economics, geography, history, political science, psychology or sociology). Students wishing to pursue licensure in one of those areas should declare, instead, the Integrated Language Arts or Integrated Social Studies major. Students should contact a college advisor for more information.

To declare this minor, students must have attempted a minimum 12 credit hours at Kent State and earned a minimum 2.500 overall Kent State GPA. Students who have not attempted 12 credit hours at Kent State will be evaluated for admission based on their high school GPA for new students or transfer GPA for transfer students. Transfer students who have not attempted 12 credit hours of college-level coursework at Kent State and/or other institutions will be evaluated based on both their high school GPA and college GPA.

- Please be aware that reapplication may be necessary if postponing advanced study coursework or if withdrawn for one year or more.

Graduation Requirements

Minimum Minor GPA	Minimum Overall GPA

- Based on program requirements, credits may exceed the minimum required for the minor. This ensures that the students will meet licensure requirements.
- Those pursuing an Education minor must be admitted to advanced study prior to student teaching. For complete student teaching information, refer to the Clinical Experience/Student Teaching website through EHHS Vacca Office of Student Services.
- Minimum 2.500 overall GPA and 2.500 major GPA are required for advanced study, student teaching, graduation and licensure. All courses in the minor must be completed with a minimum C or S grade. Some majors may have a higher GPA required, see advisor.
- Minimum 6 credit hours in the minor must be upper-division coursework (30000 and 40000 level).
- Minimum 6 credit hours in the minor must be outside of the course requirements for any major or other minor the student is pursuing.
- Minimum 50 percent of the total credit hours for the minor must be taken at Kent State (in residence).
